SIGNATURE GIN & TONIC SERVES

RHUBARD TRIANGLE GIN 50ML 46% **£11.50**
FEVER-TREE TONIC SERVED WITH STRAWBERRIES & LIME

Rhubarb isn't just for puddings or boiled sweets anymore and we wanted in on the fun. Made entirely from rhubarb sourced solely from the famous Rhubarb Triangle, formed by the cities of Bradford, Leeds and Wakefield - you might even recognise a hint towards these cities on the label...

MONASTIC GIN 50ML 40% **£12.50**
FEVER-TREE TONIC SERVED WITH STRAWBERRIES & LIME

Let us transport you back in time, through the medium of gin, to 11th Century Ireland and a monastic garden. At this time, distilling had just arrived and numerous herbs and plants were grown. There's no citrus or Far Eastern spices in this gin; instead, quince, rosehip, and bletted medlars join classic gin botanicals such as juniper.

MOONSHOT GIN 50ML 46.6% **£12.50**
FEVER-TREE TONIC SERVED WITH ORANGE TWIST AND THYME

This is one for those looking for an out of this world gin and tonic experience. Every gram of the botanicals used to make this gin was sent into near-space (over 24km) and exposed to an air pressure of less than 1/100th of that at sea level! That's seriously low.

ESTATE-FORAGED GIN 50ML 46% **£13.50**
FEVER-TREE TONIC SERVED WITH APPLE SLICE AND BLACKBERRIES

This is one for those looking for an out of this world gin and tonic experience. Every gram of the botanicals used to make this gin was sent into near-space (over 24km) and exposed to an air pressure of less than 1/100th of that at sea level! That's seriously low.

COBNUT GHOST GIN 50ML 46% **£13.50**
FEVER-TREE TONIC SERVED WITH LEMON AND BAYLEAF

This gin is a mash-up of Greensand Ridge Distillery's London Dry Gin and their Raspberry Ghost. The gin has a selection of locally-sourced ingredients, such as cobnut (squirrels are nuts for them), rosehip, honey, hawthorne berries and a raspberry ghost that is more fruity than spooky.

ICEWINE OLD TOM GIN 50ML 42.1% **£13.50**
FEVER-TREE MEDITERRANEAN TONIC SERVED WITH LEMON AND PEACH SLICE

This gin is a mash-up of Greensand Ridge Distillery's London Dry Gin and their Raspberry Ghost. The gin has a selection of locally-sourced ingredients, such as cobnut (squirrels are nuts for them), rosehip, honey, hawthorne berries and a raspberry ghost that is more fruity than spooky.
